

Our Primary School Community is growing and we have more and more Year 5 and 6 students taking part in Scholars' programmes and other workshop activities. By participating in these activities, it helps students with their transition to secondary school, whether it be with us or one of our other wonderful schools in our local area. Thank you for bringing your excitement and enthusiasm in to our activities and brightening up our world.

Primary Liaison Coordinators

KS3 SUPER CURRICULUM PROJECT WINNER!

Congratulations to Maria in 7 La Plante 1 who was the winner of our Term 1 Super Curriculum project. Maria created a science based project book that focused on a plethora of different aspects of Science including the life and achievements of Marie Curie.

PRIMARY SCHOLARS

Our new cohort of Primary Scholars students have started off this term with the Performing Arts department where they had 3 weeks of workshops that explored physical skills to create comedic silent movies.

PRACTICAL SCIENCE

Students from Northway primary have been taking in practical science sessions with Mr Beresford. The students conducted flame tests to earn their Bunsen Burner Licenses and identify the different ions that were present.

COMPUTING – DIGITAL SCHOOLHOUSE

Mr Cross has visited Garston CofE primary, Scared Heart and Croxeth Community Primary this term where he has delivered workshops across Y3–Y6, which tie in and complement each schools existing computing curriculum. Digital Schoolhouse sessions delivered include 'Encryption – Secrets, Secrets, Secrets', 'Machine Code Mario' and 'Digital Footprint'.

ENGLISH – SHAKESPEARE ROADSHOW

Our Shakespeare Roadshow has continued this term with Mr Johnstone has visiting Broad Square and Lawrence Community Primary School. We have had some wonderful acting and story-telling of Macbeth and A Midsummer Night's Dream! Well done to everyone who took part - your participation, knowledge of the plays and enthusiasm was absolutely incredible!

KS2 MUSIC WORKSHOPS

Students from Roscoe Primary visited NLA's music department this week. Students took part in a workshop with Mr Lee where they developed their innate sense of, and academic understanding of rhythm and pitch. They also had the chance practice their rhythm skills to create some world music using African and South American instruments.

ENTERPRISE SESSION WITH YEAR 12

Students from Four Oaks Primary took part in an Enterprise session hosted by our Year 12 Business students. Pupils looked at the popularity of hydration drinks and created and designed their own hydration drink. Well done Four Oaks!

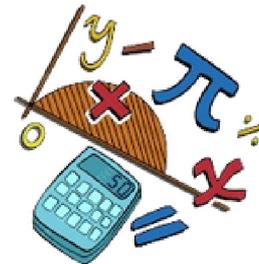

COMING SOON...

MFL - Spanish
Spelling Bee

KS2 Music Workshops

KS2 Maths Sessions

Digital Schoolhouse sessions

OPPORTUNITIES AVAILABLE

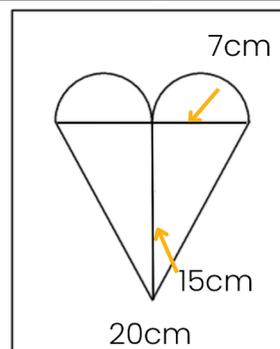

We are always seeking to build relationships between KS2 and KS3. We are actively trying to consider opportunities in the future where we can support or enhance the primary curriculum. If there is an activity which is not currently on offer, please let us know and we will try to make this happen.

Please contact: primaryliaison@northliverpoolacademy.co.uk

CHALLENGE OF THE TERM

On the right is a design for a Valentine's Card, which is a traditional heart shape on a rectangular card. The heart is made up of an isosceles triangle and two semi-circles.

What percentage of the card's area is covered by the heart shape?
