

It has been fascinating seeing all of the different activities which our primary school friends have been working with us on. From robotics to exploring the wonderful world of reading, the activities have been varied and the responses we have had from the primary students has been exceptional. We feel privileged to be working with such wonderful primary colleagues and students and cannot wait for our next half term

*- Mrs Vernon, Principal*

## PRIMARY LIAISON - OUR TEAM

Mrs Johnston  
KS3 Progress Leader/  
Scholars Lead

Mr Egan & Miss Smylie  
Primary Liaison Coordinators

## ENGLISH - LIBRARY TASTER SESSION

Our English department continued to showcase our newly refurbished library this month. We welcomed Four Oaks Primary to our library and explored Chinese New Year.

Pupils utilised the library's resources to conduct research, presented their findings and also created some lovely presents relating to Chinese New Year.

## COMPUTING - LEGO ROBOTICS

The computing department have been extremely busy delivering Lego Robotics sessions. Students have used teamwork and problem solving to complete the build of their driving base robot. They then completed several challenges using their computational thinking and programming skills.

Sacred Heart - using algorithms, and debugging methods, to solve problems using Lego robots.

St Michael's - High Flyers

Anfield Road - Da Vinci's were very focused as they worked together to build their robot before programming it.

# BE INTERNET AWESOME – INTERNET SAFETY DAY

We challenged all our wonderful primaries on Twitter to allow their students to "Be Internet Awesome". We hope the students enjoyed learning the fundamentals of digital citizenship and safety so they can explore the online world with confidence.

# BROAD SQUARE – PRIMARY ROADSHOW

Two of our Year 8 pupils ventured back to their old primary school this week and discussed their experience of transitioning from Broad Square Primary to NLA. They discussed what it was like studying at NLA and it was amazing for them to discuss all of the wonderful experiences they have had since joining in Year 7.

# COMING SOON...

STEM Week  
10th - 19th March.

This year's theme for STEM week is "Connections".

## English - Library Sessions

We have had a phenomenal refurbishment of our library at NLA! We are looking forward to welcoming primaries to come and visit to see the transformation! If your school is interested in taking part please contact [A.Egan@northliverpoolacademy.co.uk](mailto:A.Egan@northliverpoolacademy.co.uk)

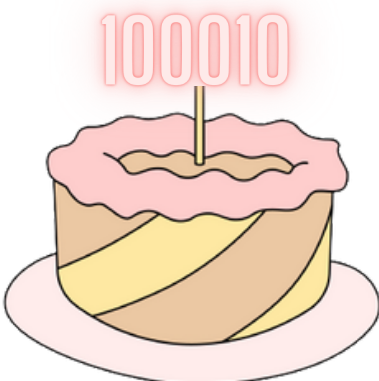

# OPPORTUNITIES AVAILABLE

We are always seeking to build relationships between KS2 and KS3. We are actively trying to consider opportunities in the future where we can support or enhance the primary curriculum. If there is an activity which is not currently on offer, please let us know and we will try to make this happen.

Please contact: [primaryliaison@northliverpoolacademy.co.uk](mailto:primaryliaison@northliverpoolacademy.co.uk)

# CHALLENGE OF THE TERM

Use the binary birthday cake to figure out the age of its recipient!
