

We have met many more of you recently with a variety of visits to your school and some of you have visited us here at NLA. No doubt Year 6 students are excited for September when they will be transitioning to their secondary school. We are very excited and looking forward to Primary Induction Day on Wednesday 5th July. In the meantime, have a lovely half term and we look forward to seeing you all again soon.

*- Mrs Vernon, Principal*

## PRIMARY LIAISON - OUR TEAM

Mrs Johnston  
KS3 Progress Leader/  
Scholars Lead

Mr Egan & Miss Smylie  
Primary Liaison Coordinators

## TRANSITION DAY - WEDNESDAY 5TH JULY

We are beyond excited to welcome our class of 2028 to their transition day on Wednesday 5th July. We asked our current year 7 students to share some of their favourite moments of their first year at NLA. Scan the QR code to watch!

## YEAR 5 PRIMARY SCHOLARS

We are excited to announce the start of the NLA Year 5 Scholars program. 25 students have been accepted onto our academic scholars program which has now been extended into year 5. The students are from a range of primary schools including Pinehurst, Four Oaks, The Beacon, Whitefield and Faith primary school. This term we have kicked their studies off with a bang by participating in explosive science sessions led by Mr Williams.

## MUSIC - WHITEFIELD KING'S CORONATION

Music students from NLA performed at Whitefield this term to celebrate the King's Coronation. The performance included piano and guitar instrumentals as well as singing solos from our amazing performers. The students were led by Mrs Everett who is an ex-pupil of Whitefield Primary.

# PERFORMING ARTS – CLASSICAL LITERATURE WORKSHOPS & NLA EUROVISION!

The Performing Arts department have been delivering a four-week workshop at Leamington Community Primary School. Students who participated in the programme studied classical theatre and characterisation in Shakespeare. The students were outstanding and all received an NLA gold certificate of achievement. We would also like to say a big thank you to all of our Primary schools that supported our students by participating in the livestream of our NLA Eurovision event.

## SCIENCE – PRACTICAL SESSIONS

The science department welcomed students from Four Oaks into our science labs to participate in a range of practical activities this term.

## COMPUTING – LEGO ROBOTICS

This term Miss Smylie has been delivering Lego Robotics sessions at Barlows, Fazakerley and Croxteth Community Primary. Each group were required to construct their robots as a team and then undertake programming challenge.

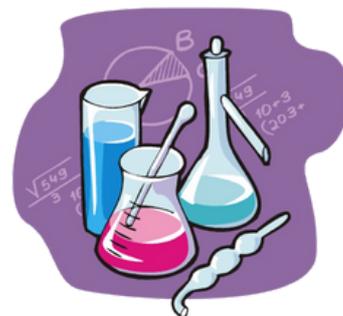

## COMING SOON...

Computing – KS2 E-Sports Rocket League Sessions

Music – KS2 workshops & projects.

Science – practical sessions

## OPPORTUNITIES AVAILABLE

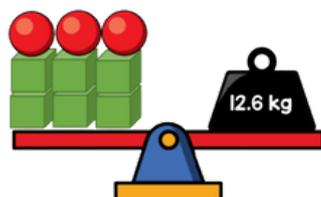

We are always seeking to build relationships between KS2 and KS3. We are actively trying to consider opportunities in the future where we can support or enhance the primary curriculum. If there is an activity which is not currently on offer, please let us know and we will try to make this happen.
